WEBATHON

CodeChef – VIT University

- Design a **creative resume** using all the front end skills that you have. It must contain –
    1. Your Short Bio
    2. A Picture of You
    3. Your Skills
    4. Your Projects
    5. Contact form (Also add social media icons in the footer)

- Create a **news web application** using http://newsapi.org/ API.

INSTRUCTIONS

✓ Login to your GitHub account and fork the repo - https://github.com/vinitshahdeo/Webathon
✓ Commit your codes in this repo before 2pm.
✓ No templates should be used.

NOTE – You can check the solution here - https://github.com/vinitshahdeo/ (Solutions will be made live on 14th Sept 2017.

Good Luck!

Regards,
Vinit Shahdeo
Vice President(Tech)
